IFH MOBILE FLUID HANDLING CARTS

BENEFITS OF AN IFH CART

- Cart Containers hold 15, 30, 60 gallons... or more!
- Eliminate multiple trips to the same Lube Site-handle much more in a single trip.
- No Spills-each Cart Base is one big Drip Pan.
- Every Cart has its own Pump (Hand, Electric or Air operated).
- Rugged Construction, high load bearing Wheels, built to last!
- Tight turning radius-very maneuverable
- Storage areas for Oil Cans, Grease Guns, Wrenches, etc.
- Options include filtering and metering devices, Hose Reels, Oil Can Storage Trays and more!
- Carts available in Electric, Manual Push/Pull, Tow able and Pallet Styles.
